

PRESIDENT WILL SUPPORT ALIKE ARMY AND NAVY

Wilson Will Occupy Box First on Navy Side and Then on Army's; Field May Be Wet; Each Team Confident.

NEW YORK, Nov. 26.—The football players of the United States Navy and Army academies will close the season with their annual football game tomorrow afternoon. The game will be played at the Polo grounds under poor weather conditions and before the largest assembly of spectators in the history of the football game since the initial struggle in 1896.

The weather forecast calls for rain. Most of the playing field consists of heavy and light over the baseball diamond after the close of the league season and the field, followed by rain is almost certain to leave the playing field in a state of confusion.

The possibility of unpleasant weather has failed to check the enthusiasm of the thousands of army and navy officers, government officials, military and naval cadets who are gathering here for the contest.

The captain's executive, who will be accompanied by a large party of personal friends, will occupy a special box on the Navy side of the field for spectators of the game, crossing the dividing line to the Army section between halves for the final two periods of the contest.

The president will take his seat in the presence and support of both academies during the sixty minutes of play without indicating any preference or favor in the football battle of the rival branches of the service. Early betting favored the Army at odds of five to four.

Both the West Point and Annapolis squads visited the Polo grounds at separate times today for warm practice and signal drills.

The coaches of the rival academies teams stated there would be no changes in the announced line-up unless there was some unforeseen circumstance. The lineup follows:

ALBUQUERQUE INDIANS GIVE SANTA FE BRAVES UNMERCIFUL BEATING

The Santa Fe Indian school eleven was beaten yesterday by the Albuquerque Indians at the Polo grounds. The game was fought chiefly in the side of the Santa Fe Indians. The Albuquerque players were able to pile up against the Santa Fe line. The contest was 7 to 0. It has the distinction of being the most lopsided score ever made up at the Polo grounds in a football game.

This was the finish of a disastrous invasion of Albuquerque by the Albuquerque Indians. They came here for two games, one with the Memorial school, besides that played yesterday. The battle with the Redskins was staged Thanksgiving day in the morning. Memorial inflicted a serious setback upon the Santa Fe warriors, but not quite so decisive as that which followed yesterday. The score of that game was 17 to 0.

CHICAGO BOWLERS COME FROM BEHIND AND WIN

CHICAGO, Nov. 26.—Chicago players came up from behind in the Midwest Bowling tournament today and claimed first division honors in the individual event. With a score of 845, Alvin Wagoner of the Chicago Bowlers' Journal No. 2, bowled into third position, three pins behind Al Wagoner of Omaha. Alvin Wagoner, also of the Bowlers' Journal No. 2, cracked into fifth place, one pin ahead of Al Wagoner of St. Louis.

Wagoner and E. Dixon of Pueblo finished in the highest score, 1,122, for the double event, but this was not sufficient to land them among the leading ten. The other scores in the double event were all below 1,100.

CARLSBAD LOSES GAME; OUTCLASSED BY ARTESIA

ARTESIA, N. M., Nov. 25.—The football team of the Artesia high school won over the Carlsbad team in the Thanksgiving game, by a score of 29 to 0. The Carlsbad players were outplayed in every phase of the game. The Artesia team began scoring early in the game and the Carlsbad team was unable to get into the game. The Artesia team will play the Carlsbad team again this season, at Carlsbad.

owing to the threatening weather in the early part of the day the football game between the Artesia Military Institute and the Artesia team was called off.

Mandor-Waugh Bout Off.

New Orleans, Nov. 26.—Joe Mandor, the local lightweight, upon his arrival here today, said that his opponent, Mandor, was not in the best of health. Mandor said he had contracted a severe cold and would not return to the ring to fight Waugh.

Notre Dame at Houston.

Houston, Tex., Nov. 26.—Notre Dame's football squad reached Houston today in excellent condition. The Catholics will line up here against Rice Institute tomorrow.

SENSATIONAL 50 MILE RACE WON BY DRIVER DAVIS

Car Driven by Mattox Jumps Track Once and Throws Off Wheel When He Gets Back in Race.

GALLUP, Nov. 25.—The auto race held here today was the most sensational of any that the Gallup people have witnessed since the inception of automobile racing in this vicinity. Five cars all started the race and all were ready at the starting line at the time to start.

Davis, driving the Gordon car, took the lead at the first turn and the other four cars followed in a string. Mattox, driving the Roman Hubbard car, created the excitement of the day by driving around the track and striking the fence at the end of the track. He was driving steadily until about fifteen miles of the fifty had been done. At the place where the track is steering gear broke and the car jumped over the fence, and did a driving, turkey-like on the fence. He was driving the car around the fence and the car broke back with the wheel, but as he was about to make the turn of the upper end of the track. The wheel dashed off ahead of the car and bounded out over the country. It struck the fence of the enclosure and knocked off a board and still went drifting across the country. This put him out of the race for good.

Davis, the winner, drove a steady, hard race all the way through. He set all the way excepting the few laps that Mattox led before his car broke down. He started only once, at the

The Giant West Point Center

Last year McGowan, the Army center, was selected for that position on the military academy. McGowan is several of the best American writers. Walter Cable, who has been on the "Evening" column, the question is, can McGowan defend? The answer is, yes. Last year McGowan's work showed up as well because he had a good team back of him. One man team are largely myth and no one man even in a team can stand on their own. McGowan is better than any other man in the country playing the same position. McGowan's work is just as good as ever. He is a first-class man on defense and can run up holes in a marvelous manner for his back on the offense. In all his games this year he has played remarkably well, but the team back of him has not the speed and power of last year's West Point organization. McGowan is a great player in the Navy game today. If you wish to see some good work at center,

DEMONSTRATION OVER VICTORY AT LAS CRUCES HELD

After Wait of Six Years University Has Chance to Become Joyous Over Game With Aggies.

Returning home with the anniversary of the triumph over the Aggies in six years and a claim to the New Mexico and southwestern championship title, Coach Hutchinson's squad of football players met and received last night with a demonstration on the part of students and alumni of the Institute of higher learning on the hill.

At the "hurry road"—Santa Fe Union No. 84—was packed into the Santa Fe station at 4:25 o'clock the cheer and silver band started playing and 200 students and former students shouted and sang. The team appeared in the Hotel Santa Fe where they had supper.

In the meantime the students, led by the band, paraded the downtown streets with "spanglers." When the team had eaten, members were placed aboard a trolley which was drawn by students to the crystal theater. Afterward a dance was held at the Crystal.

The performance of the team, which has played two games this season, against the renowned veterans of the A. and M. college, who met and defeated all of the stronger teams in and near the state with one exception, was hailed joyfully in many other than student circles.

It was the first time in six years that the university has had occasion to celebrate after a meeting on the gridiron with the Aggies, as the following record of games between the two institutions since 1904 shows:

The following, from the Wall Street Journal of recent date, will be of interest to the many Albuquerque friends of Henry Lockhart, Jr., whose father, Henry Lockhart, is a prominent citizen of Bernalillo county:

"The Wright Aeroplane company has filed papers in New York state increasing its capital stock from \$1,000,000 to \$5,000,000, par value \$100."

"Henry Lockhart, Jr., president of the Simplex Motor Car company, has been elected president of C. S. Johnson, attorney for William H. Thompson, is vice president, and Harvey D. Gibson, a vice president of the Liberty National bank treasurer."

"Harry Payne Whitney, Phillip T. Dodge and Henry Lockhart, Jr., have been added to the board. The other directors are T. Frank Manville, of the H. W. Johnson-Manville company, C. S. Johnson, Harvey D. Gibson and Henry D. Sutphen, vice president of the Electric Boat company."

"It is expected that other important interests will be added to the board. As has been stated, Orville Wright will continue with the company in an advisory capacity."

"The Wright Aeroplane company has already mapped out comprehensive plans for development work and scientific research. Production will be greatly increased, and machines will be placed in the market at once."

"The election of Henry Lockhart, Jr., as president of the Wright Aeroplane company is a significant. The Simplex motor was found to be the most adaptable to the requirements for aeroplane motors, and will be further developed along these lines."

INMATES OF SOCORRO COUNTY JAIL EXPRESS THANKS FOR DINNER

The Journal is in receipt of a note written with pencil, signed "Inmates of Socorro County Jail," expressing appreciation for the Thanksgiving dinner served by Jailer Juan N. Miera Thursday. The note is as follows:

"The inmates of the county jail at Socorro, would like to have you insert these few lines for us. We wish to let you know that our kind jailer, Juan N. Miera, gave us a splendid dinner. We had mashed potatoes, brown gravy, roast beef, roast pork, cabbage, celery, cake, pie and jelly."

SMUGGLERS MAKE USE OF MAIL WAGON

EL PASO, Tex., Nov. 26.—Government agents today discovered that the wagon used to transfer the mail between the postoffice in El Paso and Juarez has been used in a thriving smuggling business. Cigars, drugs, work and other articles of small bulk, it is learned, have been brought into the United States in mail sacks which on the return trip were loaded with ammunition. Collector Cobb issued orders today that the wagon which has hitherto passed the international bridge without inspection be carefully searched on each trip. No arrests have been made.

PROTAGONISTS OF PEACE CALL AT WHITE HOUSE

President Wilson Declines to State Whether He Will Attempt to Interest Neutral Nations in Movement.

(BY MORNING JOURNAL SPECIAL LEADER WIRE)
Washington, Nov. 26.—Efforts to win President Wilson's support for a conference of neutrals to initiate peace proposals in Europe reached a climax today when Mrs. Hedra Schwimmer, of Hungary, and Mrs. Ethel Snowden, wife of a member of the British parliament, called at the White House with a personal appeal and word that they had definite information that the majority of the belligerent nations would not turn their backs to suggestions from a neutral gathering.

The ladies, talked with the president for more than half an hour and went away much pleased over their reception, though the president had made no promises.

About 200 peace advocates, fresh from a mass meeting held at a local theater, accompanied the president's officers to the White House, applauding them as they entered and left the executive offices.

Say They Have Promises.
The president was urged to initiate a peace conference, of at least to signify that he would appoint a delegate from the United States if another neutral nation called on him. He was told that women peace advocates who have visited every belligerent and neutral nation in Europe believe from talks with officials abroad that practical results would follow. He also was informed that Henry Ford, the Detroit manufacturer, here in co-operation with the women, had in his possession statements from officials in some of the principal countries on both sides of the European conflict to the general effect that they would interpose no objection to the calling of a conference of neutrals to make peace proposals. Mrs. Schwimmer, who saw the president several months ago on the same subject and who was not optimistic then, said tonight that she believed the president was deeply impressed with the information laid before him.

"President Noncommittal."
The president made no definite promise, she added, "but I think you will hear something from the White House before very long."

At the White House it was said that there would be no statement regarding the call. Up to this time the position of the president has been that he had heard nothing from Europe which leads him to believe that the time is opportune for him to take any step.

At the mass meeting today resolutions were adopted urging the president to call upon neutral nations to appoint representatives to attend a conference. For constant mediation without armistice and dedicated to finding a just settlement of this conflict. The resolution recited that envoys sent by the international congress of women at The Hague "ascertained from the governments of the belligerent nations of Europe that they would have no objections to the calling of a conference of the neutral nations of the world looking to the possible termination of the war."

People Want Peace.
Mrs. Schwimmer presented these resolutions to the president and told him that the common people of all the nations at war wanted peace. She said the people were very brief. "Out of the trenches by Christmas and never back again is my motto," she said, and sat down.

In the campaign which has been carried on for a week in influence the president about 5,000 telegrams have been received at the White House. They continued to arrive today and tonight.

MISS DE GRAF WILL GO ON PEACE MISSION

Portland, Ore., Nov. 26.—Miss Grace De Graf, of Portland, who was a delegate to the women's peace conference at The Hague, has received and accepted an invitation from Henry Ford to be a member of his proposed peace party that is going to Europe.

GOVERNOR OF ARIZONA ENTIRELY TOO BUSY

Phoenix, Ariz., Nov. 26.—Gov. George W. P. Hunt telegraphed today to Henry Ford declining his invitation to accompany the proposed peace delegation to Europe. The governor said the duties of his office precluded leaving Arizona on such a mission.

MONTANA EXECUTIVE ALSO HAS TO DECLINE

Seattle, Wash., Nov. 26.—Governor Lister sent a telegram to Henry Ford today declining the invitation to become a member of the peace mission to Europe, because of pressure of official duties.

IOWA GOVERNOR LIKELY TO DECLINE

Des Moines, Iowa, Nov. 26.—Governor George Clarke had not definitely announced today whether to accompany the Ford peace party to Europe, but believed he would have to decline.

NEW MEXICO GOVERNOR WILL NOT JOIN FORD

Santa Fe, Nov. 26.—Governor McDonald stated today that he had received an invitation from Henry Ford to join the "Ford peace party" which is to sail on a specially chartered ship in the near future with a view to terminating the war in Europe. No answer has been sent to the invitation.

as yet, as the governor has been unusually busy with official matters. I have not had an opportunity to give serious consideration to the matter," said Governor McDonald. "and I would not like to say offhand that I will or will not accept Mr. Ford's invitation. I will say, however, that I do not at this time see how it will be possible for me to be a member of the party. It is unnecessary for me to say that I desire to see an end to the war in Europe, and that I would do anything that was in my power to contribute to that result. My first duty, however, is to do the work of the office in which I was elected by the people of New Mexico, and I can not let anything interfere with that duty."

NEWSPAPER WRITER IS TO ACCOMPANY FORD

San Francisco, Nov. 26.—John D. Barry, a newspaper writer, received today a telegraphic invitation to join Henry Ford's peace party on the steamer Oceanic. He said he would accept the invitation.

GOVERNOR KENDRICK DECLINES INVITATION

Cheyenne, Wyo., Nov. 26.—Gov. John A. Kendrick of Wyoming today declined the invitation of Henry Ford to join the Ford peace party.

RAY STATE GOVERNOR ALSO HAS OTHER DUTIES

Boston, Nov. 26.—Governor David I. Walsh today sent the following telegram to Henry Ford in reply to the latter's invitation to be his guest on a proposed peace expedition:

"I cannot leave in month of December on the excellent mission you are planning. Will consider invitation if mission's work is unfinished when my term of office expires, January 3rd."

HAVE DARK HAIR AND LOOK YOUNG

Nobody can Tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully dark, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyneth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyneth's Sage and Sulphur, because it darkens as naturally and evenly that nobody can tell it has been applied—it's so easy to use. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application of two, it is restored to its natural color and looks silky, soft and abundant.
